After we talked I pulled together the attached information about 3 local BIDs and the public agency assessments associated with each. This is not a comprehensive analysis of all City BIDs but it adds perspective as we discuss the proposed Lincoln Village BID. I've also requested information from the City Clerk's Office about the General Fund impact of all of the recently adopted, post "quantification of general benefit," BIDs. I'll forward that as soon as I receive it.

Let me know as I may assist further. Thank you.
